NOAA Climate & Global Change Postdoctoral Fellowship Program

Deadline is January 8, 2021

We are pleased to announce the 2021 call for applications for NOAA's Climate and Global Change Postdoctoral Fellowship (C&GC) program. The fellowship

program has an outstanding reputation for attracting the best and the brightest PhDs in the sciences relevant to climate change. Each appointed fellow is hosted by a mentoring scientist at a U.S. university or research institution to work in an area of mutual interest.

C&GC fellows are UCAR employees and receive a fixed annual salary, plus UCAR's benefits and allowances for relocation, travel and publications.

Appointments will be announced by April 1, 2021. For [more information go here](#) or [email us!](#)

Ambient Air Quality/EPA/NTAA/Tribes

NEW! Request for Public Nominations for Authors and Scientific/Technical Inputs and Notice of Planned Public Engagement Opportunities for the Fifth National Climate Assessment

The U.S. Global Change Research Program (USGCRP) announced the Call for Authors and Scientific/Technical Inputs for the NCA5. USGCRP is seeking nominations for authors with relevant subject matter expertise and backgrounds in the natural or social sciences. In addition, USGCRP is seeking submissions of relevant scientific and/or technical publications, including peer-reviewed and published literature (or literature that has been accepted for publication), as well as regional and topical information and information for cross-cutting or new topics since the previous assessment. *Nominations are due November 14, 2020.* To learn more about the call and access the submission portal, please visit the [Open Notice](#) on USGCRP's website. Go to the [Federal Register Notice](#) for full details.

FY 21 Community Connect Grant Program Funding Opportunity Webinars Tuesday, October 20; 11am ET / [Register Here](#)

USDA staff will provide an overview of the FOA, major eligibility and regulatory requirements, the application process, and provide guidance on how to submit a successful grant application. There will also be time for participants to ask specific questions about the Community Connect program and the new application process. The Community Connect Program provides financial assistance to eligible applicants that will provide broadband service in rural, economically-challenged communities where service does not exist. The application window for the FY2021 funding round is currently open and **will close on December 23, 2020**. To learn more about the Community Connect Program and upcoming events, visit our [website](#).

Rising Voices, ARCUS Early Career Conference Funding Award

Deadline to Apply: November 1, 2020; 5pm AK Time

[More info here](#)

The Arctic Research Consortium of the US (ARCUS) announces the Early Career Conference Funding Award to support up to twenty, US-based, early career

researchers and students to participate in meetings and events relevant to Arctic research. In lieu of full travel grants during 2020/21, these funding awards will cover registration fees, session/abstract submission costs, and other relevant expenses related to virtual conference attendance (recognizing that many events have moved online or may be forced to do so) for one conference or event scheduled to take place through 31 May 2021. This award aims to increase participation of early career, underrepresented minorities (Black, Indigenous, and People of Color; BIPOC) in Arctic research by providing at least half of the awards to BIPOC students and early career researchers. This award is for conference attendance and participation—submitting an abstract will be optional.

Indian Housing Block Grant Competitive Notice of Funding Availability

Due: December 10, 2020

The U.S. Department of Housing and Urban Development (HUD) published the FY20 Notice of Funding Availability (NOFA) for the [Indian Housing Block Grant \(IHBG\) - Competitive Grant Program](#) earlier today. It announced the availability of approximately \$91 million in competitive grants to eligible Indian tribes and tribally designated housing entities (TDHEs). This program provides competitive grant funding to Tribes and TDHEs to carry out affordable housing activities for the benefit of low-income Native American families. In accordance with the FY20 Further Consolidated Appropriations Act, projects that will spur housing construction and rehabilitation will be prioritized.

HUD recognizes the many challenges faced by Tribes and TDHEs during the ongoing COVID-19 National Emergency. Accordingly, this year, HUD is providing a longer application period than the application period in last year's competition to allow applicants additional time to develop and submit applications. Therefore, applicants will have until *11:59:59 EST on December 10, 2020*, to submit applications via <https://www.grants.gov>. If applicants are unable to submit an electronic application, they may request a waiver in accordance with Section IV.A. of the NOFA.

Two New Funding Opportunities Available Through Engagement Opportunities in NASA's Minority University Research and Education Project for American Indian and Alaska Native STEM Engagement – NASA MAIANSE

This National Aeronautics and Space Administration (NASA) Research Announcement (NRA), entitled *Engagement Opportunities in NASA STEM (EONS) – 2020*, solicits proposals for competitive funding opportunities in support

of the Minority University Research and Education Project (MUREP) administered by NASA's Office of STEM Engagement. EONS 2020 is an omnibus announcement that includes a wide range of NASA science, technology, engineering, and mathematics (STEM) Engagement opportunities for basic and applied science and technology research and education. Specific opportunities will be issued periodically throughout the year as Appendices to this solicitation with individual requirements and milestones. For more information regarding the following opportunities and scheduled information sessions, please visit the [ENGAGEMENT OPPORTUNITIES IN NASA STEM \(EONS-2020\)](#) page on the NASA Solicitation and Proposal Integrated Review and Evaluation System ([NSPIRES](#)) website and click on 'List of Open Program Elements'.

DOI BOR Native American Affairs: Technical Assistance to Tribes for FY20 and FY21 – \$1 million

Applications Due: October 28, 2020 for FY21

Eligible Entities: federally recognized tribes or tribal organizations of the 17 Western States identified in the Reclamation Act of June 17, 1902

The objective of this opportunity is to invite federally recognized Indian tribes and tribal organizations to submit proposals for financial assistance for projects and activities that develop, manage, and protect tribal water and related resources. Through this opportunity, Reclamation provides funding for projects that increase water reliability consistent with sections 3 and 4 of the October 19, 2018, Presidential Memorandum on Promoting the Reliable Supply and Delivery of Water in the West. For more information, visit the funding opportunity [description](#).

Assistant Secretary Sweeney Announces \$3 Million Living Languages Grant Program Funding Opportunity

Assistant Secretary for Indian Affairs Tara Mac Lean Sweeney announced today that the Office of Indian Energy and Economic Development (IEED) is soliciting applications to the Living Languages Grant Program (LLGP). This \$3 Million grant program will fund between 15 and 60 grants, ranging from \$25,000-\$200,000, to federally recognized American Indian tribes and Alaska Native entities to document, preserve and revitalize Native languages and build active speaker capacity. IEED's solicitation for LLGP funding and details on how to apply can be found in the [Federal Register](#) and at [Grants.Gov](#).

Climate Change/Energy

NEW! Fellowship Opportunity with EPA's State and Local Energy and Environmental Program

Applications are due October 30, 2020 / [Learn more and apply here](#)

EPA's State and Local Energy and Environment Program has an open [Air Quality, Public Health, and Energy Strategies Fellowship position](#). Our program works cooperatively with state, local, and tribal (S/L/T) governments to help them reduce greenhouse gas and criteria pollutant emissions in ways that meet their own unique environmental, public health, energy, and economic priorities. The research fellow will focus on conducting research to support the development of decision-support resources and tools to help S/L/T governments understand, quantify, and communicate the public health impacts of emission reduction policies and programs.

Advancing Climate Adaptation and Coastal Community Resilience [FY 2021 Notice of Funding Opportunity](#)

The Adaptation Sciences Program will design and implement research investments through competitions, co-develop activities with partners, and support communities of practice around adaptation pathways. It will build on and maintain strong connections established by its highly successful predecessors - the Coastal and Ocean Climate Applications (COCA) Program, the International Research and Applications Project (IRAP), and the Sectoral Applications and Research Program (SARP).

Please feel free to reach out with questions about the FY 2021 competition or the AdSci Program; you can contact Nancy Beller-Simms (Nancy.Beller-Simms@noaa.gov) or Lisa Vaughan (Lisa.Vaughan@noaa.gov) at any time. Please refer to the [upcoming events section](#) of the NOAA/CPO website for information regarding a FY21 AdSci competition information session, and finally, please feel free to share this information with your colleagues.

On-Request Technical Assistance from DOE Office of Indian Energy

Applications Due: Not Applicable

Eligible Entities: tribal governments

The DOE Office of Indian Energy provides federally recognized Indian tribes, including Alaska Native villages, tribal energy resource development organizations, and other organized tribal groups and communities, with technical assistance to advance tribal energy projects at no cost. Technical experts from DOE and its national laboratories, along with other partnering organizations, provide support to assist Indian tribes and Alaska Native villages with energy planning, housing and building energy efficiency, project development, policy and regulation, resilience, and village power.

DERA School Bus Rebates Program Applications Being Accepted

Deadline to Apply: October 30, 2020; 4pm ET

[More Info Here](#)

We are excited to announce a funding opportunity for school bus fleets that serve public schools. EPA's Office of Transportation and Air Quality is accepting applications nationwide for rebates to assist in replacing older, dirtier diesel school buses with new school buses certified to EPA's cleanest emission standards. EPA anticipates awarding over **\$10 million** in this funding opportunity. Selected applicants that scrap and replace their old diesel buses will receive a rebate of **\$20,000-\$65,000 per bus** depending on the fuel type of the replacement bus.

Eligible Entities:

- Regional, state, or tribal agencies including school districts and municipalities; or
- Private entities that operate school buses under a contract with an entity listed above.
- Applications are limited to 10 buses. Fleets that own more than 100 buses can submit two applications.

DOE Clean Cities Coalition Network Technical Assistance

Applications Due: Not Applicable

Eligible Entities: Clean Cities Coalitions

Clean Cities connects transportation stakeholders with objective information and experts to assist with alternative fuels, fuel economy improvements, and emerging transportation technologies. Through these trusted, time-tested resources, Clean Cities has helped fleets and fuel providers deploy hundreds of thousands of alternative fuel vehicles and fueling stations that serve a growing market. Clean Cities continues to support the entry of new transportation technologies into the marketplace.
