FY21 Exchange Network Grants Program

The Fiscal Year (FY) 2021 Exchange Network (EN) Grant Program Solicitation Notice (SN) has been published to Grants.gov and is available [here](#).

Applications are due to EPA by 11:59 PM Eastern Time, Wednesday, March 31, 2021. Additional guidance tools, including optional fillable templates, are available for applicants both on Grants.gov and on the [EN website](#). Applicants are encouraged to review the new FY21 SN in full, as significant updates have been made since the FY20 version. Information on applicant webinars will be provided shortly. The purpose of Exchange Network (EN) grants are to foster better environmental management and decision-making through increased access to timely, high quality, environmental information. An applicant's proposed project

goals and outputs should align with one or more funding areas in the SN and [EPA's FY 2018-21 Strategic Plan](#) Goal 3: Greater Certainty, Compliance, and Effectiveness, Objective 3.4: 'Streamline and Modernize'. For more information, contact Erika Beasley, EN Grants Program Manager at Beasley.erika@epa.gov

First Nations Development Institute grant opportunity

With the generous support of the Indigenous Peoples Fund at Tides Foundation, First Nations will establish a Gather Food Sovereignty Grant that will support work contributing to building a national movement that will fulfill a vision of Native communities and food systems that are self-directed, well-resourced and supported by community policies and systems. This opportunity is targeting emerging projects that focus on developing Tribal Food Sovereignty. Through the first round of the Gather Food Sovereignty Grant, First Nations expects to award up to 13 grant awards of approximately \$32,000 to support Native American-led food sovereignty work.

The grant period for this funding opportunity will commence March 1, 2021, and end February 28, 2022. Application on the [Gather Food Sovereignty Grant site](#).

Assistant Secretary Sweeney Announces \$3 Million Living Languages Grant Program Funding Opportunity

Assistant Secretary for Indian Affairs Tara Mac Lean Sweeney announced today that the Office of Indian Energy and Economic Development (IEED) is soliciting applications to the Living Languages Grant Program (LLGP). This \$3 Million grant program will fund between 15 and 60 grants, ranging from \$25,000-\$200,000, to federally recognized American Indian tribes and Alaska Native entities to document, preserve and revitalize Native languages and build active speaker capacity. IEED's solicitation for LLGP funding and details on how to apply can be found in the [Federal Register](#) and at [Grants.Gov](#).

Today, the U.S. Department of Homeland Security (DHS) posted a competitive funding opportunity to assist local communities in developing sustainable capabilities to prevent targeted violence and terrorism. The FY21 Targeted Violence and Terrorism Prevention (TVTP) Grant Program seeks to provide funding to implement local prevention frameworks and explore innovative approaches to preventing targeted violence and terrorism. The FY21 program establishes the following priorities:

- Preventing Domestic Violent Extremism
- Enhancing Local Threat Assessment and Management Capabilities
- Implementing Innovative Solutions for Preventing Targeted Violence and Terrorism
- Challenging Online Violence Mobilization Narratives

The TVTP Grant Program seeks to provide funding to applications that align with these objectives and that protect privacy, civil rights, and civil liberties. Applicants are required to conduct a rigorous needs assessment to outline what resources are already available in their area and what gaps need to be filled. All projects have required performance measures.

Eligibility includes Tribal, state, local, territorial governments; non-profits; and institutions of higher education are eligible to apply for funds to establish capabilities or fill gaps in their prevention capabilities.

There is \$20 million available under this announcement. Please refer to the Notice of Funding Opportunity (NOFO) Appendix B for information on funding levels by project type, and application track.

The FY21 TVTP Grant Program will prioritize cost-effective programs and projects, and those which provide a detailed needs analysis and propose to collect and report on required performance measures. DHS will assess funded projects for promising practices and make them available in a replicable form for other communities or sectors. DHS is seeking to achieve diversity among geographical locations, applicant type, and project type. The period of performance is 24 months, starting October 1, 2021.

The application period opened on March 24, 2021 and will close on May 25, 2021 at 5:00:00 PM ET. Applicants should consult the NOFO for more specific information about the process. Applying for this grant is a multi-step process and it is recommended that applicants begin that process early in order to allow sufficient time to complete the interim steps. Applicants can register early with the Non-Disaster Grants Management System (ND Grants) and are encouraged to begin their ND Grants registration at the time of this announcement. Early registration will allow applicants to have adequate time to start and complete their application.

For more information, please see the relevant NOFO posting on Grants.gov and the TVTP Grant Program site on DHS.gov <https://www.dhs.gov/tvtpgrants>.

DHS will host informational webinars to discuss the main elements of the NOFO and will take general questions from interested applicants. Please use the following links to join the webinars:

- [2/24 2:00PM EDT Wednesday](#)
- [2/26 2:00PM EDT Friday](#)
- [3/30 2:00PM EDT Tuesday](#)
- [4/1 2:00PM EDT Thursday](#)

For questions about the TVTP Grant Program, please contact the Office for Targeted Violence and Terrorism Prevention at TerrorismPrevention@hq.dhs.gov.

Climate Change/Energy

On-Request Technical Assistance from DOE Office of Indian Energy

Applications Due: Not Applicable

Eligible Entities: tribal governments

The DOE Office of Indian Energy provides federally recognized Indian tribes, including Alaska Native villages, tribal energy resource development organizations, and other organized tribal groups and communities, with technical assistance to advance tribal energy projects at no cost. Technical experts from DOE and its national laboratories, along with other partnering organizations, provide support to assist Indian tribes and Alaska Native villages with energy planning, housing and building energy efficiency, project development, policy and regulation, resilience, and village power.
