

RESOURCES & FUNDING OPPORTUNITIES

Now Hiring!

NEW! In honor of Air Quality Awareness Week (May 3-7), applications are now being accepted for the U.S. Department of State (DOS) and U.S. Environmental Protection Agency (EPA) Virtual Air Quality Fellowship program through May 21, 2021. This fellowship is a vital component of DOS and EPA's collaborative efforts to improve access to, and application of, continuous air quality data worldwide. The fellowship is open to air quality experts from universities, government agencies, or non-profit institutions. Applicants must be U.S. citizens.

Summer Internship with the University of Colorado Boulder

The Arctic Rivers Project at the University of Colorado Boulder (CU) invites applicants for an undergraduate student summer internship. The internship will be remote this year and can be conducted from any location with reliable internet access. The program is open to US citizens, US permanent residents or Canadian nationals who have completed their junior or sophomore year in college or community college. Indigenous students are encouraged to apply. For full consideration, **please apply by May 15, 2021**. The position will remain open until filled. A start date is negotiable, ideally mid-June 2021. The [Arctic Rivers Project](#): The climate impacts on Alaskan and Yukon rivers, fish, and communities as told through co-produced scenarios

Application: Interested candidates can contact Keith Musselman

(keith.musselman@colorado.edu) or Nicole Herman-Mercer

(nhmercerc@usgs.gov). Please include a resume and a one-page cover letter introducing yourself, your education, and why you are a good fit for the position.

Review of candidates will begin on May 15.

Native Land Trust Council Seeking Executive Director

The Executive Director (ED) works full-time (40-hours per week) remotely from their home office. In addition to fundraising, the Executive Director will develop and maintain the NLTC's program management, administration, financial reporting, as well as strengthen new and existing community partnerships in support of the NLTC's mission. [Apply Here](#)

Compensation: \$80K – \$90K per year initially, working as a 40 hr/wk independent contractor.

To Apply: Please submit a cover letter, resume, and at least three references, via email, to ckramernltc@gmail.com.

Deadline: Open until filled.

First Nations Development Institute grant opportunity

With the generous support of the Indigenous Peoples Fund at Tides Foundation, First Nations will establish a Gather Food Sovereignty Grant that will support work contributing to building a national movement that will fulfill a vision of Native communities and food systems that are self-directed, well-resourced and supported by community policies and systems. This opportunity is targeting emerging projects that focus on developing Tribal Food Sovereignty. Through the first round of the Gather Food Sovereignty Grant, First Nations expects to award up to 13 grant awards of approximately \$32,000 to support Native American-led food sovereignty work. *The grant period for this funding opportunity will commence March 1, 2021, and end February 28, 2022.* Application on the [Gather Food Sovereignty Grant site](#).

Assistant Secretary Sweeney Announces \$3 Million Living Languages Grant Program Funding Opportunity

Assistant Secretary for Indian Affairs Tara Mac Lean Sweeney announced today that the Office of Indian Energy and Economic Development (IEED) is soliciting applications to the Living Languages Grant Program (LLGP). This \$3 Million grant program will fund between 15 and 60 grants, ranging from \$25,000-\$200,000, to federally recognized American Indian tribes and Alaska Native entities to document, preserve and revitalize Native languages and build active speaker capacity. IEED's solicitation for LLGP funding and details on how to apply can be found in the [Federal Register](#) and at [Grants.Gov](#).

The U.S. Department of Homeland Security (DHS) posted a competitive funding opportunity to assist local communities in developing sustainable capabilities to prevent targeted violence and terrorism. The FY21 Targeted Violence and Terrorism Prevention (TVTP) Grant Program seeks to provide funding to implement local prevention frameworks and explore innovative approaches to preventing targeted violence and terrorism. The FY21 program establishes the following priorities:

- Preventing Domestic Violent Extremism
- Enhancing Local Threat Assessment and Management Capabilities
- Implementing Innovative Solutions for Preventing Targeted Violence and Terrorism
- Challenging Online Violence Mobilization Narratives

The TVTP Grant Program seeks to provide funding to applications that align with these objectives and that protect privacy, civil rights, and civil liberties. Eligibility includes Tribal, state, local, territorial governments; non-profits; and institutions of higher education are eligible to apply for funds to establish capabilities or fill gaps in their prevention capabilities.

The application period opened on March 24, 2021 and will close on May 25, 2021 at 5:00:00 PM ET. Applicants should consult the NOFO for more specific information about the process. Applying for this grant is a multi-step process and it is recommended that applicants begin that process early to allow sufficient time to complete the interim steps. Applicants can register early with the Non-Disaster Grants Management System (ND Grants) and are encouraged to begin their ND Grants registration at the time of this announcement. Early registration will allow applicants to have adequate time to start and complete their application. For more information, please see the relevant NOFO posting on Grants.gov and the [TVTP Grant Program site](#). For questions about the TVTP Grant Program, please contact the Office for Targeted Violence and Terrorism Prevention at TerrorismPrevention@hq.dhs.gov.

Climate Change/Energy

On-Request Technical Assistance from DOE Office of Indian Energy

Applications Due: Not Applicable

Eligible Entities: tribal governments

The DOE Office of Indian Energy provides federally recognized Indian tribes, including Alaska Native villages, tribal energy resource development organizations, and other organized tribal groups and communities, with technical assistance to advance tribal energy projects at no cost. Technical experts from DOE and its national laboratories, along with other partnering organizations, provide support to assist Indian tribes and Alaska Native villages with energy planning, housing and building energy efficiency, project development, policy and regulation, resilience, and village power.
